

PROCEDURES ON MEDIA BIAS

The Rice SA has largely been accepted as a source for information by the press and radio. However, erroneous statements and misinterpretations still occasionally slip through due to misinterpretations of the nature of the crisis, or of the University itself. If you should see or hear such an error, do not call the paper or station yourself. Instead, call one of the following faculty wives:

Mrs. Charles Burris-----Mo8-1752
Mrs. Franz Brotzen-----Na2-0624
Mrs. Donald Clayton-----Ja2-5980
Mrs. Donald Levin-----729-0503
Mrs. Clark Read-----Ja2-4783
Mrs. Mervin Rudee-----665-0239
Mrs. J.-C. DeBremaeker-----Mo5-3832
Mrs. Ira Gruber-----Ja8-5749

or

Miss Chris Stansell-----*-----Brown College-----Ja8-3355

The resolution of the immediate crisis with the Board of Trustees does not mean that we can relax our watch on the media, which may get even more hostile as a result of the circumstances of resolution.
