TO THE STUDENTS AND FACULTY:

We feel it imperative to accurately assess the concern of both faculty and students with regard to the recent appointment of Dr. William Masterson as President of Rice University.

To implement this assessment we propose to survey both faculty and students on the following two issues:

1. The procedure used in selection
2. The choice made by the Board of Trustees

We further feel a responsibility to reflect the results to the Board of Trustees at the earliest possible time.

Chairman, Campus Executive Committee

WARREN SKAAREN

POLLS FOR BOTH GRADUATE AND UNDERGRADUATE STUDENTS WILL BE OPEN IN THE RMC, ANDERSON HALL, AND IN THE COLLEGES FROM 8 a. m. to 3 p. m.
