

FROM KOWL. FEBRUARY 24, 1969

The students of Rice University are requested by Warren Skaaren to contact their parents and relatives to urge them to express their concern to Dean Gordon. We, as students, are responsible for factual press coverage of the events of the past few days. More often than not, we are the only ones responsible. Please urge your parents to write or preferably telegraph Dean Gordon in our behalf to counteract the unfavorable letters being received at this time from alumni.

The rates for a night letter up to 100 words are as follows:

In Texas, delivered--- \$2.15

Outside of Texas, delivered--- \$2.55

Suggested Format:

TO: CHIEF EXECUTIVE OFFICER
