Mr. J. S. Cullinan,

Beaumont, Tex.

Dear Cullinan:--

Referring to the suggestion that you think it now the proper time to consider the question of our compensation as attorneys for the Texas Co., we beg to say that we are largely disposed to defer to you on this subject, feeling that you understand the situation fully and that you are at all time liberal, and considerate of our interests. Our suggestion, however, is that about \$3000.00 for 1902 would be about right. You can present the matter to the Directory whenever it is convenient or you think the time opportune, and we feel sure that we will be satisfied with what the Board of Directors may decide is right and proper in the premises.

Your friends,

McKie & Autry
