Capt. J. R. Behrens and wife, of New Orleans, will be the guest of Capt. and Mrs. J. C. Watson during the Lipton races. Captain and Mrs. Behrens have many friends here who will be pleased to welcome them.

Capt. N. C. Walpole, owner of the yacht Lottie R., has just returned from a fishing trip in Choctawhatchee bay. He will remain over for the coming races and will have a party aboard his splendid yacht.

DEFECTIVE FLUES CAUSE MANY FIRES

Fire Prevention Week Seems To Be Unheeded By Many People Of City.

In spite of all the publicity that has been given by newspapers throughout the country stating that this is fire prevention week and urging people to take some steps to prevent fires, there were four calls turned in at the fire station yesterday, and three of them were caused by defective flues. The people have been informed as to the great loss caused by fire every year in the United States, and yet they fail to give the matter serious consideration and must inevitably suffer the consequences.

The first call to be turned at the station came at 11:20 a. m. from 212 E. Jordan street. The house was occupied by Will Jackson, and the roof was badly damaged. Cause, defective flue.

The next call came from 110 E. Jackson street, a house occupied by Mamie Allison, the roof being slightly damaged. Cause, defective flue.

The trucks made a trip down to the corner of Main and Baylen streets and extinguished a burning grass pile which was causing some telephone poles to be damaged. Cause, carelessness with fire.

At 6:02 o'clock in the evening the house occupied by W. H. Perish, at 9 E. Heintgen street, was slightly damaged before the fire fighters arrived on the scene and put it out. Cause, defective flue.

NEW YORK, Oct. 12.—A new record for world series receipts was made today when the grand total to date reached \$384,731. This is \$52,327 more than the previous high mark made in the series between the Cincinnati Nationals and the Chicago Americans in 1919.

Should the Yankees win tomorrow's game and force the series into the ninth and final game, the total receipts undoubtedly will pass the million dollar mark. As the receipts stand tonight, the total for the seven games almost twelve times the aggregate collected in the 1905 series between the Giants and Philadelphia Athletics, the first series played under rules of the old National commission.

Another capacity crowd witnessed today's game. The official attendance was given as 35,503 and the gate receipts \$118,974. Of this sum the advisory board, which succeeded the National Commission, appropriates fifteen percent, or \$17,846.10, while the balance goes to the club owners. The attendance and gate receipts tell a trifle short of Friday's record for the series, there being six paid admissions less and a difference of \$32.

ROADSTER IS DAMAGED ON EAST WRIGHT STREET

A Fremont driven by a man named Olsen smashed into a roadster near the corner of Alcaniz and Wright streets late Tuesday afternoon. The roadster with two other automobiles were packed on the wrong side of the street and when the man driving the Fremont tried to pass another car he smashed into the roadster, damaging it to some extent. Leaving cars parked on the wrong side of a street is a bad policy, and when a person commits this error he does so at his own risk.

Rheumatism

A Remarkable Home Treatment Given by One Who Had It.

In the year of 1893 I was attacked by Muscular and Sub-Acute Rheumatism. I suffered as only those who are thus afflicted know for over three years. I tried remedy after remedy, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number who were terribly afflicted, even bed-ridden, some of them seventy to eighty years old, and the results were the same as in my own case.

"I Had Sharp Pains Like Lightning Flashes Shooting Through My Joints"

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism to try the great value of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and address, and I will send it free to you. After you have used it, and it has proven itself to be that long-looked for means of getting rid of such forms of rheumatism, you may send the price of it. One Dollar, but understand I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer, when relief is thus offered you free. Don't delay. Write today.
